CalmJong weekly puzzle

Week of Monday 21 December 2026 · Board: Barrel

1. Find two tiles with the same picture.
2. Both must be free: a tile is free when nothing touches its left side, or nothing touches its right side.
3. Cross out both. Carry on until every tile is crossed out.

Take your time. If you get stuck, the answers are on the back.

The answers

Week of Monday 21 December 2026 · Board: Barrel

Cross out the two tiles marked 1 first, then the two marked 2, and so on. Other orders can work too.
